

When we say 'more flex,' we mean it. MFLEX4™ is built for versatility— designed to support a wide range of commercial vehicle applications with fewer part numbers and simplified training.

MFLEX4™ FITS

WABCO MAXXUS™

Bendix ADB22X™

WABCO PAN22™

Hendrickson MAXX22T™

With Positive Pad Retraction (PPR) springs, linehaul and severe-service friction mixes, and coverage across four leading calipers, MFLEX4 simplifies maintenance while improving efficiency and uptime.
