

GREAT AMERICAN INC  
**PACKOUT™**

GA-HYD-JIC-PC  
**JIC CAP AND PLUG  
 ASSORTMENT KIT**

The Great American Inc. JIC Cap and Plug Assortment PACKOUT™ Kit is a convenient, comprehensive solution for sealing JIC fittings in hydraulic systems, protecting them from contamination, and preventing leaks. This kit includes a variety of high-quality caps and plugs in multiple sizes to accommodate different JIC fitting specifications. Ideal for use in repair shops, field service, and maintenance operations, the kit is neatly organized for easy access and portability. Designed to ensure reliability and durability, this JIC cap and plug kit helps extend equipment life and maintain system efficiency by keeping fittings clean and ready for use.
